This is the release for Halloween released, since it's got supernatural and mystic story. But it also had a birthday theme. That made me thinking for *Apocalypse* birthday released on 29th October.

In the end I release it as
halfhearted release, but let
... I regret it a lot.
I should have made that as
Ayman's birthday present!
AYMAN-01

of the treatment is being
run based on the well 02-03

...after that "dread" from
the frontier. But at
any rate

As you all (probably) notice, that is a short story from *Savage Tendencies* genre, the magazine of The Loveable World Mass graphics, but looks similar with the Loveable World.

Well, I hope you enjoy this story as much as I enjoy remembering it!

Inside soft and sweet for
a Halloween story too!

**HAPPY HALLOWEEN

HAPPY BIRTHDAY

happy birthday to her
